Rail Cargo Hungaria strengthens cooperation with the state rail freight companies of Serbia and North Macedonia

Budapest, 22 April 2026 – Rail Cargo Hungaria signs letter of intent with Srbija Kargo JSC. and Makedonski Zeleznici Transport AD. rail freight companies The three market-leading railway undertakings enhance their cooperation in the forwarding of goods from the Far East. Their partnership covers existing continental links between China and Europe, as well as the transport of goods between European terminals arriving at or departing from European ports by ship, complemented by road transport required for door-to-door delivery.

According to the document, Rail Cargo Hungaria will establish a strategic cooperation with the two Balkans railway companies to accelerate freight transport, shorten transit times, increase cost-efficiency, and improve the efficiency of logistical processes, among other goals.

The cooperation will cover the international use of interoperable locomotives, operational coordination along the planned Piraeus – Athens – Niš – Skopje – Budapest – Vienna route, as well as the establishment of the terms of commercial cooperation and the technical conditions for train projects. The parties intend to expand intermodal transport across European markets, simplify border crossings and customs procedures, and reduce administrative barriers to ensure faster freight flows.
