

COMMISSION

Customer

Name:	Community tax number:
Address:	Court of Registration and registration number:
Administrator:	Rail Cargo Hungaria Zrt. border station:
Phone/Email address:	

instructs Rail Cargo Hungaria Zrt. (hereinafter: "Supplier", registered office: 1133 Budapest, Váci út 92, company register number: 01-10-045318, tax number: 13594567-2-44) to take all necessary, justified and appropriate action (based on current legislation) when dealing with customs clearance related to releasing shipments within the customer's traffic into free circulation based on authorisation for specific matters necessary to allow the received shipments to be forwardable.

The main responsibility of the Supplier is to prepare and submit the customs clearance request for the community freight forwarding procedure, as well as cooperation and customs clearance in the customs procedure:

(mark the appropriate with an 'x')

- by using the customs guarantee provided by the Customer.**
- by using the customs guarantee service provided by the Supplier.**

By signing this Commission the Customer undertakes to provide the Supplier with the documents required by the above customs procedure 24 hours before the consignment arrives to the border.

Other data necessary for the customs guarantee service provided by the Supplier:

Name, address of the consignment:
Name, code of the customs office of destination:
Name of the good, TARIC code:
Unit price, weight/piece:
Other items increasing VAT: (e.g. excise duty):

The customer shall send the supplier the customs clearance authorisation in the form of a duly signed original document 24 hours before the goods arrive to the border.

By signing this Commission, the Customer undertakes responsibility to present the goods and the required documentation to the customs office immediately after their arrival to their destination and to cooperate with the customs office in all matters; as well as to comply with the relevant provisions of the community freight forwarding regulation.

Customer declares to undertake any and all damages and disadvantageous legal consequences the Supplier may suffer due to the Customer failing to fulfill their duties.
