

COMMISSION

Customer

| | |
|----------------------|--|
| Name: | Community tax number: |
| Address: | Court of Registration and Court registration number: |
| Administrator: | <div style="border: 2px solid black; padding: 5px; display: inline-block;"> Rail Cargo Hungaria Zrt. border station: </div> |
| Phone/Email address: | |

instructs Rail Cargo Hungaria Zrt, (hereinafter: "Supplier", registered office: 1133 Budapest, Váci út 92, company register number: 01-10-045318, tax number: 13594567-2-44) to take all necessary, justified and appropriate action (based on current legislation) in order to enable the legal temporary storage of received non-Community status shipments in temporary storage facility.

The main responsibility of the Supplier is to prepare and submit the customs clearance request for the temporary storage procedure, as well as cooperation in the customs procedure.

By signing this Commission the Customer undertakes to provide the Supplier with the customs documents required by the above customs procedure 24 hours before the consignment arrives to the border.

Other data necessary for the customs guarantee service provided by the Supplier:

| |
|-----------------------------------|
| Name, address of the consignment: |
| Name of goods, TARIC code: |
| Unit price, weight/piece: |
| Other items increasing VAT: |

The Customer is aware, that he is obliged to send the written Commission for temporary storage of his non-Community status goods at least 24 hours before their arrival at the external border of the EU.

By signing this Commission, the Customer undertakes responsibility to place his goods under customs clearance procedure after the temporary storage, as well as to comply with the provisions of customs legislation.

Customer declares to undertake full responsibility for any and all damages and disadvantageous legal consequences the Supplier may suffer due to the Customer's failure to fulfill his duties.
